ORDER

Issued: March 2, 2005

Released: March 3, 2005

On March 2, 2005, counsel for Gulf Power Company ("Gulf Power") filed its Unopposed Motion for Extension of Deadline to Respond to Initial Discovery Requests. Gulf Power requests a 14-day extension of time to respond to Complainants' interrogatories and requests for production of documents, and references an ongoing survey which is its primary focus at this time.

The Presiding Judge has been advised that counsel for the Bureau and counsel for the Complainants do not object. It further appears that discovery will be more efficiently completed with this short extension of time, and sufficient cause for a fourteen day extension of discovery has been shown in connection with completing an ongoing pole attachment survey.

Accordingly, IT IS ORDERED that Gulf Power's Unopposed Motion for Extension of Deadline to Respond to Initial Discovery Requests IS GRANTED.

IT IS FURTHER ORDERED that the time for Gulf Power to file its responses to Complainants' initial discovery IS EXTENDED to **March 17, 2005**.

SO ORDERED.
